Certified status.- January 2010

1-800 We Answer, a full service Call Center and Answering Service, has completed its PCI Certification by passing a SecurityMetrics ® Site Certification vulnerability scan. As required by PCI DSS, **www.efls.com** IP addresses are scanned a minimum of four times a year to protect systems' integrity, and ensure continued certification status. The payment brands (Visa, Master Card, AMEX, Discover Card) have collectively adopted PCI DSS as the requirement for organizations that process, store or transmit payment cardholder data.
